Your Input is Needed on  
Interstate 10: Val Vista Road to Earley Road

**Tuesday, April 20, 2010**  
**Casa Grande Council Chambers**  
**510 E. Florence Blvd.**  
**Casa Grande, AZ 85122**  
**6 to 7:30 p.m.**

The Arizona Department of Transportation (ADOT) invites you to attend a public meeting for the design of Interstate 10, from Val Vista Road to Earley Road. ADOT is seeking public input and will be available to answer questions and discuss the project. Maps and displays will be available for review. This project is part of the larger plan for the widening of I-10, from Val Vista Road to Jct. I-8.

The design for I-10, from Val Vista Road to Earley Road, is at 95 percent completion. The proposed improvements include widening I-10 from two lanes to three lanes in each direction. The goal is to increase capacity and improve traffic operations and safety of this segment of I-10.

For additional meeting information, or to submit written comments, contact Melissa Benton with Gordley Design Group, ADOT consultant, at 520-327-6077 or melissa@gordleydesign.com. Persons with a disability may request reasonable accommodations, such as a sign language interpreter, by contacting Melissa Benton. Requests should be made as soon as possible to allow time to arrange the accommodations.

For technical and project information, please contact Steve Wilson, ADOT Project Manager, at 520-388-4263 or Jay Koesters, PB Project Manager, at 520-838-3403.
